Divine Knowledge

Unconditional Love

Selfless Service

Do you desire to make your personality respectful and attractive?

Then follow these nine principles:

- 1. Have people with good character as your friends. Do not turn away from people with bad character but help bring out the good character in them.**
- 2. Learn good values from everywhere and everyone. Keep away from bad values.**
- 3. Respect your elders. Never insult anyone for any reason and live life with humbleness.**
- 4. Make a habit to attract good qualities in you.**
- 5. Love only your wife/husband. Respect all others.**
- 6. Live life in such a manner that others would like to follow you.**
- 7. Have faith in God at all times. Never let negative thoughts enter your mind.**
- 8. Have control on all your senses at all times. Enjoy life but do not take it to extremes. Have self-control and strong willpower.**
- 9. Save yourself from bad company. Believe in divinity.**
